IntegralWorks Coachee Day, Sa. 13.06.2020

Dear Coachees, dear interested persons

In June our outdoor coachee afternoon will take place under the theme "**The Future of Work**". We are confronted today with drastic global challenges such as global warming. At the same time, the world of work is undergoing rapid change due to digitalization and automation. This is a time that calls for leaders and teams that do their work with care, passion and vision, creating a culture of development and transformation, and providing comprehensive and concrete solutions to global problems. In this respect, employee relations at the workplace, the We-Space and fruitful conditions (e.g. a healthy mistake culture, transparency, etc.) in the teams play a decisive role in the success of this evolutionary step.

During the coachee afternoon, under the guidance of our coaches and in exchange with the other coachees, you will gain clarity for yourself about the following questions:

- How can and should we work in the future?
- What are my needs regarding We-Space and relationships at work?
- What structural changes can I initiate in my everyday work and organization?

With concrete exercises we will make the new forms of cooperation tangible (possibly Constellation, Integral Shadow Work) and will work out practical steps for the structural implementation in your organisation and your further path. We round off the afternoon with a social exchange and an apéro.

The Coachee Day will take place on Saturday 13.06.2020 from 14:00 - 20:00 hrs, in the Basel Outdoor region (easily accessible by public transport / car). The details will be communicated one week in advance.

Price: CHF 450.- including VAT and meals - (or part of the ongoing coaching)

Minimum number of participants: 4 persons

Registration deadline: Tue. 09.06.2020

Are you new, interested and do not yet have a direct contact person? Then get in touch with us via the e-mail address team@integralworks.ch or +41 61 508 05 35 for a short meeting via video call.

We are looking forward to the Coachee Day and your numerous participation!

Warm regards,

The IntegralWorks Team
